

CHILD SAFEGUARDING STATEMENT

Through the IRFU and related Branch, **Monkstown Football Club** provides rugby activities to young people through participation in mini and youth coaching and competitions and participation programmes in related schools and/or the community. The club is committed to the enjoyment of rugby by young people. It values and encourages the participation of parents, coaches and volunteers in rugby for participants under 18-years of age. The club will adhere to the IRFU safeguarding policy, which strives to respect the dignity and rights of Age Grade Players.

The club will strive to promote, create and maintain safe environments for Age Grade Players. It will endeavour to maintain the key values of Respect, Inclusivity, Integrity, Excellence and Fun. A detailed safeguarding policy can be found here, <https://www.irishrugby.ie/playing-the-game/spirit-of-rugby/safeguarding/safeguarding-policy/> and is available through the Club Welfare Officer (**David O'Brien**). The Sports Councils' Code of Ethics/Safeguarding Guidance should be used where the IRFU has not published specific guidelines, in particular with regard to the principles to safeguard children from harm, <https://www.sportireland.ie/ethics/safeguarding-guidance-for-children-and-young-people-in-sport>

The club carried out a risk assessment for any potential harm to a child while involved in rugby. These risks were categorised under the following headings Recruitment, Club and Coaching Practices, Reporting, Complaints, Facilities, Communication and General Risk of Harm. The assessment reviewed the areas of potential risk of harm, the likelihood of the risk occurring, and gives the required policy, guidance and document links required to manage these risks. The written risk assessment and the procedures for managing these risks is available **at the end of this statement / in the full version of this statement (virtual or printed version)**

Our child safeguarding statement has been developed in line with requirements of the IRFU and under the Children First Act 2015 and in Northern Ireland, the Club Framework for Safeguarding Standards. In addition to the procedures listed in our risk assessment, the club adheres to the following procedures that are in place as part of the IRFU Safeguarding Policy and our intention to safeguard children:

- Procedure for the reporting of child protection and welfare concerns to Tusla (Ireland) and Gateway (Northern Ireland) through the National Safeguarding Officer and appointed Mandated Person within IRFU: [Anne Marie Hughes](#). The Club Welfare Officer (**David O'Brien**) is the **Relevant Person** as per Children First Act. Other staff and volunteers within the club may hold the role and responsibility of a Mandated Person as per Schedule 2 of the Act but have not been appointed by the club/IRFU. They are always expected to act as a Mandated Person and when making a report in their professional capacity that involves rugby should always inform the IRFU Mandated Person that such a report has been made by them.
